

WE NEED MEN!

Dougie Mac Marshall

WE NEED MEN!

... well actually we need Marshals for an event for ladies only and as we thought you were probably feeling a little left out, we wanted to ask YOU!

4,000 ladies We've got 4,000 ladies taking part in our Midnight to Sunrise Walk on Friday 20th June. The well lit route takes our ladies from Stoke City's Football ground—Britannia Stadium, through; Longton, Fenton, along Victoria Road, Leek Road, City Road, through Heron Cross, returning to the Britannia Stadium to see Sunrise which is expected at 3.40am.

Marshal the route Can you help us to support these ladies in their walk by coming along to marshal the route?

Commitment We estimate that you will need to be at your marshal point for **approximately two hours** (times will be between 11pm (Friday 20th) and 6am (Saturday 21st)). You will be able to leave your marshal point when the back marker reaches you. At this point you have a choice to a) follow the walk, or b) go home.

Responsibilities To help ensure the walkers cross roads or junctions safely and to ensure the walkers follow the correct route.

If you feel you can support us as a marshal can you please contact: Zoë Hollingsworth: Tel: 01782 344305, email: zoeollingsworth@dmhospice.org.uk stating your preferred times of availability.
